

ASSUMPTION OF RISK AGREEMENT

I, [REDACTED], hereby affirm that I am a certified scuba diver trained in safe dive practices and know that scuba diving have inherent risks which may result in injury, permanent disability or death.

I understand that scuba diving with compressed air, enriched air or normoxic "Trimix" involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. If I am scuba diving with oxygen enriched air ("Enriched Air") or other gas blends including oxygen, I also understand that it involves inherent risks of oxygen toxicity and/or improper mixtures of breathing gas. I further understand that that the Diving Activities will be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with these activities in spite of the absence of a recompression chamber in proximity to the dive site(s).

I understand and agree that neither Scuba World Diving Club, nor the dive professional(s) acting on behalf of Scuba World Diving Club, nor the officials (the Committee) of Scuba World Diving Club (hereinafter "Released Parties") may be held liable or responsible in any way for any injury, permanent disability, death or other damages to me, my family, estate, heirs or assigns that may occur during Diving activities as a result of my participation in scuba diving or as a result of the negligence of any party.

I affirm I am in good mental and physical fitness for Scuba Diving. I further state that when scuba diving I will not be under the influence of alcohol or any drugs that are contraindicated to scuba diving. If I am taking medication, I affirm that I have seen a diving physician and have approval to dive while under the influence of such medication/drugs. I understand that scuba diving is a strenuous activity and that I will be exerting myself during this activity and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

I am aware that safe dive practices suggest scuba diving with a buddy unless trained and certified as a self-reliant diver. Accordingly, it is my responsibility to plan my dive allowing for my diving experience and limitations, and the prevailing water conditions and environment. I will not hold the Released Parties responsible for my failure to safely plan my dive, execute my dive plan, and follow the instructions and dive briefing of the dive professional(s). I affirm it is my responsibility to inspect all of my equipment prior to the dive and that I should not dive if my equipment is not functioning properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving or if I choose to dive with equipment that may not be functioning properly.

I further state that I am of lawful age and legally competent to sign this liability release. I understand the terms herein are contractual and not a mere recital and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue resulting from my death. I further represent that I have the authority to do so and that my heirs, assigns, and beneficiaries will be estopped from claiming.
