

DIVING ACTIVITIES PARTICIPATION AGREEMENT

I, [REDACTED], understand and agree that the boat dives and/or shore dives (hereinafter "Diving Activities") organised by Scuba World Diving Club and/or its dive professional(s) and/or its officials ("the Committee") are not for beginners.

I hereby confirm that I am a certified scuba diver and have the necessary experience to participate in the Diving Activities. I further confirm that during the Diving Activities I will dive within the limits of my diving certification(s) and experience. I undertake not to do any act(s) or omission(s) that might put the life of third parties at risk.

I agree to undertake the Diving Activities on a 'buddy system' basis and I will buddy up with a third party of an equivalent certification and level of experience.

I agree and understand that the dive professional(s) acting on behalf of Scuba World Diving Club will not be in the water to accompany and lead me. I further agree that if during the Diving Activities I buddy up with dive professional(s) acting on behalf of Scuba World Diving Club, the said dive professional(s) will not be acting as a Diving Instructor or Diving Assistant Instructor or Dive Guide. I agree that in such circumstance(s) the said dive professional(s) will be my dive buddy and I will be solely responsible for my own act(s) and/or omission(s).

I agree that Scuba World Diving Club and/or its dive professional(s) and/or the Committee have the authority to decide to exclude me from any Diving Activity should they feel that I do not meet the necessary experience required to participate in the Diving Activity. In such an event, Scuba World Diving Club and/or its professional(s) and/or the Committee will not be held financially responsible and will not grant any claims.
